MANAGEMENT'S DISCUSSION AND ANALYSIS

Ventura Housing, also known as the Housing Authority of the City of San Buenaventura, (hereinafter referred to as the "Authority") is pleased to present its basic financial statements for the period of October 1, 2024, to December 31, 2025, which were prepared in accordance with U.S. generally accepted accounting principles (GAAP). GAAP requires the inclusion of the three basic financial statements: the statement of net position (balance sheet); the statement of revenues, expenses, and changes in fund net position; and the statement of cash flows. In addition, GAAP requires the inclusion of this Management's Discussion and Analysis (MD&A) section as required supplementary information.

The MD&A is designed to (a) assist the reader in focusing on significant financial issues, (b) provide an overview of the Authority's financial activity, (c) identify changes in the Authority's financial position (its ability to address the next and subsequent years' challenges), and (d) identify issues or concerns. This will now be presented at the front of each year's financial statements. Since the MD&A is designed to focus on the current year's activities, resulting changes and currently known facts, we encourage readers to consider the information presented here in conjunction with the Authority's financial statements, which follow this section.

As provided by GAAP, the Authority uses the accrual basis of accounting to prepare its basic financial statements. Under this basis of accounting, revenues are recognized in the period in which they are earned, and expenses, including depreciation, are recognized in the period in which they are incurred. All assets and liabilities associated with the operation of the Authority are included in the statement of net position.

The financial performance discussed in the following analyses does not include tax credit partnerships. The tax credit partnerships are owned by separate limited partnerships/corporations with Homecomings, Inc., an affiliate of the Authority wholly controlled by it acting as the general partner or the managing member of the LLC that is the general partner. The tax credit properties are fee managed by the Authority. Because of the different corporate structure of the partnerships, their operations are not carried directly on the books of the Authority but are listed as affiliated organizations as detailed in the Authority's financial statements' footnote disclosures *(See Note 13)*. The partnerships' financial data are therefore not included in the analysis and financial reports that follow. Also, while the Authority's financial statements include Triad Properties, the Authority's discretely presented component unit, the following overview focuses on the primary government and does not address all the effects the discretely presented component unit has on the Authority's operations. See the Component Units section below for additional information regarding Triad Properties.

The Authority obtained approval from HUD to change their year-end from a September 30 year-end to a December 31 year end in order for the Authority's year end to match the year-end of Homecomings, Inc., Chapel Lane, L.P., and all of the affiliated organizations who all have a December 31 year-ends. As a result, the financial information presented for the year ended December 31, 2025 covers a 15 month period from October 1, 2024 through December 31, 2025, while the comparative financial information for the year ended September 30, 2024 covers a 12 month period. Accordingly, comparisons between the two periods may not be directly comparable due to the difference in the length of the reporting periods.

DRAFT

FINANCIAL HIGHLIGHTS

- Net position on December 31, 2025 increased to $155,959,739. Since the Authority engages only in business-type activities, the increase is all in the category of business-type net position. Net position was $145,984,461 for 2024.
- The business-type activities operating revenues on December 31, 2025, increased to $53,428,358. Total operating revenues were $50,628,014 for 2024.
- The total operating expenses of all programs for the 15 month period ended December 31, 2025 increased to $47,895,186. Total operating expenses were $35,224,668 for 2024. The increase in operating expenses for the 15 month period ended December 31, 2025 is attributable to the increase in Housing Assistance Payments, as well as administration expenses.
- Total capital grant contributions for the 15 month period ended December 31, 2025 increased to $883,887, compared to $829,233 on September 30, 2024.

OVERVIEW OF THE FINANCIAL STATEMENTS

The financial statements included in this annual report are those of a special-purpose government engaged in a business-type activity.

This MD&A is intended to serve as an introduction to the Authority's basic financial statements. The following statements are included:

- Statement of Net Position – presents information on Ventura Housing's assets and liabilities, with the difference between the two reported as net positions. Assets and liabilities are presented in the order of liquidity and are classified as "current" (convertible to cash within one year) and "noncurrent". Over time, increases or decreases in net position may serve as useful indicators as to whether Ventura Housing's financial health is improving or deteriorating.
- Statement of Revenues, Expenses, and Changes in Fund Net Position – presents information showing how Ventura Housing's net position changed during the 15 month period. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Therefore, revenues and expenses are reported for some items that will only result in cash flows in future years.
- Statement of Cash Flows – reports how Ventura Housing's cash was used in and provided by its operating, noncapital financing, capital, and related financing, and investing activities during the periods reported. The net of these activities is added to the beginning year cash balance to reconcile to the cash balances on December 31, 2025. Ventura Housing uses the direct method of presenting cash flows, which includes a reconciliation of operating activities to operating income. These statements provide answers to such questions as to where the cash came from, how the cash was used, and what was the change in the cash balance during the 15 month period.
- Notes to the Basic Financial Statements – provide financial statement disclosures that are an integral part of the basic financial statements. Such disclosures are essential to a comprehensive understanding of the information provided in the basic financial statements.

THE AUTHORITY'S PROGRAMS

The Authority administers a broad range of federally and locally financed housing programs serving the City of San Buenaventura. The Authority owns or manages 1,112 units of housing and provides rental subsidies to 1,605 authorized households. Most of the Authority's program participants have incomes below 30% of area median income. Most of the Authority's funding is from the US Department of Housing and Urban Development (HUD).

Public Housing Operating Fund (PHOF)

Under this program, the Authority rents units that it owns within the City of San Buenaventura to low-income households. This program is operated under the annual contributions contract (ACC) with HUD, and HUD provides operating subsidy to enable the Authority to provide the housing at a cost that is based upon 30% of household income. As of December 31, 2025, the Authority owned and operated 188 subsidized units in this program.

Section 8 Program

Within the Section 8 program, the Authority administers contracts with independent landlords that own and lease units within the city of Ventura under the Housing Choice Voucher program (HCV). The Authority subsidizes the family's rent through a housing assistance payment (HAP) made to the landlord. The HAP matches the difference between the total rent that the landlord can charge at or below a fair market rent amount supplied by HUD, and the amount that the tenant can pay. For each voucher that the Authority administers, HUD pays the Authority an administrative fee. The Authority is not responsible for the protective services and maintenance of the units and properties associated with this program. However, the landlord must maintain the units in accordance with HUD's housing quality standards (HQS) to participate in the program. The Authority currently administers up to 1,311 HCV tenant-based vouchers, 127 Veterans Assistance vouchers (VASH), 9 Family Unification Program (FUP) and 3 FUP Youth vouchers, 16 Foster Youth to Independence, 503 Rental Assistance Demonstration (RAD) project-based vouchers, 89 Mainstream vouchers, 43 Emergency Housing Vouchers, and 424 conventional project-based vouchers.

These programs are operated under an annual contribution contract (ACC) with HUD. The Program Participants pay a housing cost of 30% of their household income. The Authority is a "High Performer" under the Section Eight Management Assessment Programs (SEMAP).

DRAFT

Public Housing Capital Fund Program (CFP)

The Public Housing Capital Fund Program is also the primary funding source for physical and management improvements to the Authority's properties. CFP funding is based on a formula allocation that takes into consideration the size and age of the Authority's housing stock. The CFP is operated under an annual contribution contract (ACC) with HUD, and the Capital Fund Grant award for the 15 month period ended December 31, 2025 totaled $883,887.

Community Services

The Community Services Department (CSD) formed in May 2015; the CSD team focuses on strengthening and building internal and external partnerships whilst encouraging an increase in resident engagement and participation in onsite and offsite opportunities. The CSD is funded by a Family Self-Sufficiency (FSS) grant which funds one-full-time staff person; and the Resident Opportunities and Self Sufficiency (ROSS) Grant, that also funds a full-time staff position. The FSS program encourages HUD-assisted families to increase earned income, reduce or eliminate the need for welfare assistance, and make progress toward achieving economic independence and housing self-sufficiency. The ROSS program is structured to encourage resident economic self-sufficiency through educational, training, and employment opportunities, with an emphasis on early years and school readiness to afford an opportunity for the best start possible.

The CSD programming approach covers all aspects of education, health, skill building, career pathways, employment, and social, emotional, physical, and intellectual well-being across all age groups. As the CSD celebrates its ten-year anniversary it continues to successfully update inter-agency working models, increase partnerships and access to programs for strong outcomes for residents.

Rental Assistance Demonstration Project (RAD)

Ventura Housing was awarded, through a competitive process, the ability to convert a portion of its current public housing units to Section 8 project-based vouchers. This new initiative from HUD is known as the Rental Assistance Demonstration program or RAD.

RAD offers a long-term, cost-effective solution to preserve and enhance the country's public and affordable housing stock—including leveraging public and private funding to make much-needed improvements—by allowing Public Housing Authorities (PHA) to convert their current assistance to long-term project-based Section 8 contracts.

Ventura Housing has been involved in the RAD initiative since 2013, and the benefits of the RAD initiative include:

- RAD projects have brought over $200,000,000 of new investment into Ventura.
- Leveraged private debt and equity.
- Moved Public Housing into the affordable housing mainstream
- Created jobs
- Ensured opportunities for resident participation
- Built using green building standards and sustainable practices
- Preserved affordable housing for the next generation

DRAFT

To date, Ventura Housing has converted 518 units of public housing using RAD to non-profit ownership with project-based Section 8 rental subsidy.

- The first development, Vista Del Mar Commons, is composed of 142 units located at the Palms, Mission Park, and Training for Independent Living. The Construction loan closed January 2014; construction began February 2014 and was completed on April 23, 2015.
- The second conversion, Johnson Gardens, is composed of 101 units located at Gregory Gardens, Villa de Oro, and Villa Pacifica. The Construction loan closed June 16, 2015; construction began June 2015 and was completed in February 2016.
- The third conversion, Buena Vida, is composed of 75 senior units and 20 family units. The Construction loan closed August 2016; construction began in September 2016 and was completed in August 2017.
- The fourth conversion is the Authority's most ambitious project: the redevelopment of Westview Village. The Authority plans to demolish 180 ACC units and redevelop approximately 320 units on what is now the Westview Project included in AMP 1. The Authority partnered with BRIDGE Housing as co-developer for this project. The project will be developed in four phases. Phase I consisted of the demolition of 72 public housing units which were replaced with 131 newly constructed units and a public park. The construction loan closed December 22, 2016. Construction for Phase I completed in April of 2019, with tenant move-in shortly thereafter. Phase II involved the demolition of 10 units that were replaced with 50 apartments. Phase II's construction commenced in April 2022 and completed in April 2024. 69 units were demolished for Phase III. Those units have been replaced by 105 family apartments. Construction of Phase III commenced in September 2020 and completed in late December 2022. The final phase, Phase IV, will see 29 units replaced by 34 "for sale" homes. It is anticipated that Phase IV will commence some time in 2028.

Business Activities

The Authority accounts for its various non-federal activities under the business activities program.

Affordable Housing Projects

The Authority is currently in the process of developing multiple affordable housing projects in Ventura, California. The Authority incurs certain predevelopment costs associated with these projects – primarily funded by non-federal sources – until all necessary partners, investors and funding sources are identified at which time all project assets, liabilities and commitments are conveyed to the limited partnerships.

Rancho Verde – The Authority developed a 24-unit farm worker housing project in Ventura, CA. The University of California committed to the donation of approximately 2 acres of the 30-acre Hansen Trust site to the Authority as a fully improved building site ready for development. A recoverable grant of $102,000 was awarded by the Ventura County Community Foundation for pre-development costs in addition to $600,000 for impact fees and construction documents that were committed in the Development Agreement between the UC Regents and the City of Ventura. The project was on hold until March 2015, when the University sold the site to a master developer, Williams Homes, and closed escrow on the project acquisition in March 2015. MainStreet Architects + Planners was selected to be Architect of Record in August 2015. The City's Design Review Committee approved the plans on August 17, 2016.

The Project received a commitment for a USDA Section 514 permanent loan of $3,000,000 and USDA Section 521 rental assistance. The project also received an award of $240,000 from the County of Ventura farmworker housing fund.

Construction started in March of 2018. The project included Net Zero energy goals, greywater for landscaping, which are requirements of the USDA funding award. In addition, the Authority installed an Electric Vehicle (EV) charging station, the first in a multifamily development in Ventura. Construction was completed in June 2020, with residents moving in shortly thereafter. This project received a national award from the National Association of Housing and Redevelopment Officials (NAHRO).

Westview Village – is another public housing development scheduled for a RAD conversion which includes the replacement of 180 aging public housing units with 320 new homes on Ventura's Westside. The development, Villages of Westview, will be constructed in four phases and include the construction of 234 affordable apartments for families, 50 for seniors, and 34 first-time homebuyer townhomes. Construction on the first phase began in early 2017 and was completed in April 2019. The next phase, Phase III, commenced construction in September 2020, and was completed in late December 2022. Phase II was scheduled to commence in April 2022 and was completed by April 2024. The final phase, Phase IV, was scheduled to commence in 2025.

Willett Ranch – the Authority signed a Letter of Intent to purchase two tentatively approved lots which abut the east side of Ventura Avenue and comprise the westerly- most portion of the 27.6-acre property located at 2686 N. Ventura Avenue, formerly known as the Willett Ranch Property. The property, which has been approved by the City of Ventura for the development of a 50-unit affordable senior apartment complex, with 15 units set-aside for formerly homeless seniors, and is a component of the overall 199-unit Solano Heights market-rate residential development which was approved in 2007. The site was acquired in July 2019, and was subsequently sold to Willett Ranch, L.P. in January 2020, which is when construction began. Construction was completed in December 2021.

El Portal – in April 2019, Triad Properties acquired the El Portal building located on 1254-1280 North Ventura Avenue, in the City of Ventura. El Portal holds a significant place in the history in the City. At the time of the acquisition, it consisted of 6 commercial spaces and 33 residential units and had over 300 City building code violations. In April 2020, El Portal Ventura, LP. acquired the property from Triad Properties. Since then, El Portal has gone through a major renovation and now has 3 commercial spaces and 29 dwelling units, with 14 of those units reserved for special needs residents. The construction financing of the project closed in April 2020. The rehabilitation project started in July 2020 with the completion of the residential portion in August 2021. The commercial units were completed in early 2022 and occupied in late 2022.

Valentine Road – in April 2024, the Authority acquired a 142-room hotel for the purpose of converting it to Permanent Supportive Housing for the unhoused residents of Ventura. Primary sources of funding for the project consisted of HomeKey funds from the State of California, as well as funds from the County and City of Ventura. The property was converted in stages, with the first set of tenants moving into their units in September 2024. The final stage of the project is anticipated to be completed by June 2026 and is anticipated to be fully occupied by the completion date.

City Programs

The Authority has three (3) contracts with the City of San Buenaventura (hereinafter referred to as the "City") to provide administration, management, and implementation of the City's affordable housing programs. The contracts consist of the City's Affordable Housing Program (AHP), the Mobile Home Rehabilitation Grant Program (MHRGP), and Housing Preservation Program (HPP). Programs include the sale of new or resale affordable homes, mobile home rehabilitation, servicing of loan portfolio and monitoring of owner-occupied and rental units. This fiscal year 13 affordable units were resold to low or moderate-income households. Monitoring of rental units are conducted annually to determine compliance by landlords, property managers and management companies. Over 500 owner-occupancy certifications are completed annually to determine compliance with property restrictions. As needed the servicing of loan portfolio may require the process of a refinance, subordination, payoffs, or any other servicing request. On an annual basis the goal is to assist 15 mobile homeowners with the rehabilitation of their homes. These improvements increase energy efficiency, reduce utility costs, provide a safe and healthier environment, accessibility and expand the life of the mobile home. The intent of these programs as provided by the City is to support the preservation and increase the supply of affordable housing.

Housing Trust Fund

In 2008, in an effort to ensure the availability of safe and sanitary affordable housing for the citizens of the City of Ventura (the "City"), the Authority and the City agreed to amend their existing Cooperation Agreement – with HUD approval – to permit annual Payments in Lieu of Taxes (PILOT) to be deposited into a Housing Trust Fund (HTF) held in the name of the Authority. These funds may be used to preserve or increase the supply of housing for low and very low-income people in the City, specifically priority shall be given in housing to employees of the Ventura County, Ventura Unified School District, and the City of Ventura for housing units in developments for which these funds are used as a funding source. The Housing Trust Fund balance on December 31, 2025, totaled $1,580,130.

State and Local Program

The Authority administers as sub-recipient's various grants and housing programs from the local governmental entities. Congress amended the Housing and Community Development Act of 1974 (HCD Act) in 1981 to give each jurisdiction the opportunity to administer Community Development Block Grant (CDBG) funds for non-entitlement areas. CDBG provides states, eligible metropolitan cities, and urban counties with annual direct grants that they can use to revitalize neighborhoods, expand affordable housing and economic opportunities, and/or improve community facilities and services, principally to benefit low- and moderate-income people.

DRAFT

Neighborhood Stabilization Program - NSP-R Program Loan

In connection with the development of the Encanto Del Mar Apartments affordable housing project, permanent financing was obtained from various sources, including a $9.4 million Neighborhood Stabilization Program (NSP-R) loan from the Department of Housing and Community Development of the State of California (the "Department") and an NSP 1 grant award from the County of Ventura in the amount of $443,636. The loan is the obligation of the Encanto Del Mar Apartments, L.P. (the "Borrower"). However, the Authority is listed as the sponsor organization – as defined in the loan agreements – and has ultimate responsibility to ensure compliance with the terms and conditions of the program for the life of the loan. As the sponsoring organization, the Authority is subject to the same liability as the Borrower if it fails to ensure compliance. The outstanding loan balance and related transactions are included in the financial statements of the Borrower.

Challenges

Looking ahead, Ventura Housing will continue to work on offering more housing options in response to Ventura's ever-increasing need for high-quality, affordable, and safe housing. The coming year will bring the completion of the rehabilitation of Valentine Road, a 142-room hotel that will be rehabilitated and converted into housing for unhoused residents of the City of Ventura.

While Ventura Housing continues to face the demand for both public and affordable housing, we remain committed to identifying new and creative ways to address the needs of Ventura's most vulnerable residents. And we look forward to working collaboratively with the Community to provide opportunity and an environment to thrive for more residents in the years ahead.

Component Unit

The Authority has established component units to operate and develop mixed financing and/or tax credit housing. The governing body of the Authority is its Board of Commissioners (the "Board") comprised of 7 members appointed by the City Council of the City of Ventura. The Authority is not a component unit of the City, as defined in Governmental Accounting Standards Board Statement No. 6, as the Board independently oversees the Authority's operations. The Authority has one discretely presented component unit, Triad Properties, Inc. The entity is shown as discretely presented because the Authority is financially accountable, however, they do not have full control over this entity. The role of the Authority is to act as a managing agent of this component unit.

The component units for the Authority also consist of Homecomings, Inc. (Homecomings), Cocina Sin Fronteras (Cocina), and Chapel Lane, L.P., all of which are presented as blended component units as their Boards of Directors are the same as the Authority's Board of Commissioners and/or the Authority has full control over the entity. The following includes additional information on each of these Authority component units:

Triad Properties

Triad Properties is a California nonprofit public benefit corporation which was formed to promote affordable housing and related services for low to moderate income households in the County of Ventura, California. Triad is considered a "Discrete Component Unit". Triad owns and operates 22 low-income housing units in the City of Ventura.

Also, in April 2019, Triad Properties acquired the El Portal building located on Ventura Avenue, in the City of Ventura. El Portal holds a significant place in the history of the city. At the time of the acquisition, it consisted of 6 commercial spaces and 33 residential units and had over 300 City building code violations. In April 2020, El Portal Ventura LP acquired the property from Triad Properties. Since being acquired by El Portal Ventura LP, El Portal has gone through a major renovation and now has 3 commercial spaces and 29 dwelling units, with 14 of those units reserved for special needs residents. The financing of the project closed in April 2020. The rehabilitation project started in July 2020 with the completion of the residential units and occupancy in August 2021. The commercial units were completed in mid-2022 and occupied in late 2022

The relationship between the Authority and Triad is supportive in nature as Triad independently carries out its stated mission and purpose of providing decent, safe, and affordable housing. Upon inception, the Authority's Board acted as the original governing body for Triad. In March 2010, Triad's bylaws were amended, and a new Board of Directors were appointed, who are now substantially different from that of the Authority's Board. The amended bylaws state that the Triad Board of Directors will serve four-year terms, and it is now empowered to appoint new director(s). Therefore, Triad will be discretely presented in the current year's financial statements and notes. All inter-program balances and transactions between the primary government and the discretely presented component unit will be separately disclosed in the notes to the financial statements and will not be eliminated. Separately issued financial statements of Triad Properties may be obtained by contacting Joe Nocella, Chief Financial Officer, Ventura Housing, 995 Riverside Street, Ventura, CA 93001.

- Vista Del Mar Commons L.P. – 9% tax credit project-140 units - renovation completed in 2015.
- Castillo del Sol L.P. – 9% tax credit project-40 units (39 for people with special needs) completed January 2016
- Johnson Gardens L.P. – 4% tax credit project with 101 units for senior/disabled households – renovation completed March 2016.
- Buena Vida L.P. – 4% tax credit project with 95 units (75 senior units and 20 family units) – renovation completed August 2017.
- Villages at Westview Phase I L.P. – demolition of 72 public housing units and new construction of 131 family units – project completed April 2019; MCB Family Housing, Inc., an affiliate of Bridge Housing Corporation is also a member of the LLC.
- Rancho Verde Ventura L.P. – 9% tax credit project with 24 units for farmworker households – project completed June 2019.
- Willet Ranch L.P. – 4% tax credit project with 50 units dedicated for senior residents. Project commenced construction in February 2020 and was completed in March 2021.
- El Portal Ventura L.P. – 9% tax credit project involving the rehabilitation of an existing mixed-use facility that currently has 3 commercial spaces and 29 dwelling units. The rehabilitation project commenced in July 2020 with the residential portion completed in August 2021, and the commercial units completed in mid-2022.
- Westview Village III L.P. – demolition of 45 public housing units and new construction of 105 family units. Project commenced in September 2020, with an estimated completion date of late November or early December 2022; Bridge Housing Corporation is also a Member of the LLC.
- Westview Village II, L.P. – 9% tax credit project that consists of the construction of a 50-unit senior apartment complex. Development amenities will include a community room, child development center, and a park. Construction commenced in April 2022 and completed in April 2024.
- Valentine Road, L.P. – the project consisted of the acquisition of a 142-room hotel that was converted to Permanent Supportive Housing. This is a HomeKey project. Acquisition of the hotel occurred in April 2024, with the first tenants moving into the project in September 2024. It will be fully completed and occupied by June 2026.

Homecomings accounts for its ownership interest in these tax credit partnerships using the equity method. Separately issued financial statements for the tax credit partnerships may be obtained by contacting Joe Nocella, Chief Financial Officer, Ventura Housing, 995 Riverside Street, Ventura, CA 93001. The Authority both directly and indirectly controls the operations of Homecomings, and the Authority's Board also acts as the governing body for the organization. Therefore, Homecomings will be presented as a blended component unit included in the balances of the primary government, thus all significant inter-program balances and transactions between Homecomings and the Authority have been eliminated.

ATLAS (formerly known as Cocina Sin Fronteras)

ATLAS (formerly known as Cocina Sin Fronteras) is a California nonprofit public benefit corporation, which was formed to provide support to low-income families served by the Authority in the areas of education, careers, and entrepreneurship to attain self-sufficiency. The Authority both directly and indirectly controls the operations of ATLAS, and the Authority's Board also acts as the governing body for the organization. Therefore, ATLAS is presented as a blended component unit included in the balances of the primary government, thus all significant inter-program balances and transactions between ATLAS and the Authority have been eliminated.

Chapel Lane, L.P.

Chapel Lane, LP is a California Limited Partnership formed in October 2003 to develop, own and operate a 38-unit senior housing complex (the "Project") located in Ventura, California, with the Project being placed in service in August 2005. The general partner with a .01% ownership interest has been Homecomings, Inc. since inception. In June 2021, pursuant to the Assignment and Assumption of Limited Partner Interest and Administrative Limited Partner Interest and Third Amendment to the Partnership Agreement, the Withdrawing Administrative Limited Partner and Withdrawing Investor Limited Partner sold and assigned their interest in Chapel Lane, L.P. to the Authority. As a result, the Authority now has a 99.99% ownership interest in Chapel Lane, L.P. on top of indirectly having a .01% ownership interest through Homecomings, Inc. Thus, the Authority both directly and indirectly controls the operations of Chapel Lane, L.P. Therefore, Chapel Lane, LP, is now presented as a blended component unit included in the balances of the primary government. Separate financial statements are issued for Chapel Lane, L.P., which are audited by another auditor. These separately issued financial statements may be obtained by contacting Joe Nocella, Chief Financial Officer, Housing Authority of the City of San Buenaventura, d/b/a Ventura Housing, 995 Riverside Street, Ventura, CA 93001.

MAJOR FACTORS AFFECTING THE STATEMENT OF NET POSITION

Current assets decreased by $326,713 primarily due to decreases in restricted cash and accounts receivable due from HUD.

Capital assets increased by $7,051,365 due primarily to the purchase of project capital assets.

Noncurrent notes receivable and noncurrent accrued interest receivable increased by $6,819,858.

Deferred outflow of resources decreased by $1,266,132, or 42.21%, and deferred inflow of resources increased by $1,304,271, or 406.64%. These changes are primarily due to changes in the net difference between projected and actual investment earnings on pension plan investments, changes in proportion, the difference between expected and actual experience, and contributions after the measurement date.

Current liabilities increased by $717,328, or 46.17% primarily due to increases in accrued interest payable, accrued liabilities, and other current liabilities.

Noncurrent liabilities increased by $281,501, or 1.13% primarily due to increases in long-term debt and the FSS escrowed liability.

MAJOR FACTORS AFFECTING THE STATEMENT OF REVENUES, EXPENSES, AND CHANGES IN FUND NET POSITION

Total operating revenues increased by 5.53% compared to the prior year, increasing by $2,800,344. This increase was primarily a result of an increase in federal and other government grants.

The following table provides further illustration of the Authority's total operating revenues for the 15 month period ended December 31, 2025:

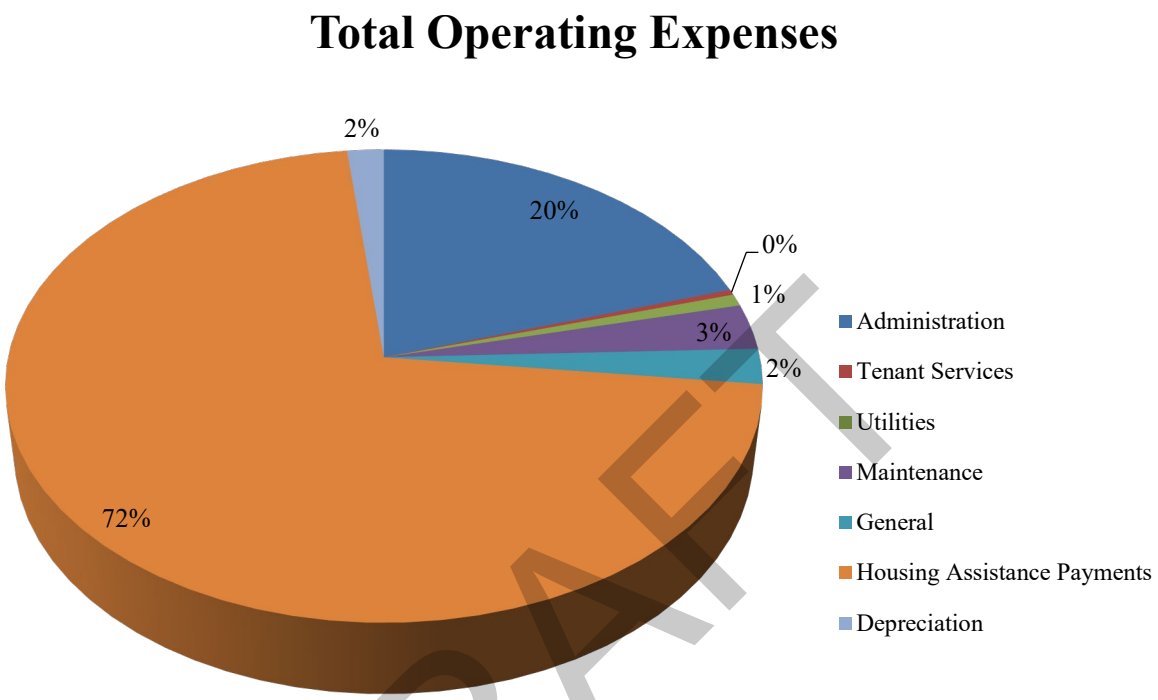

DRAFT

Total Operating Expenses

Total operating expenses increased by $12,670,518 to $47,895,186 from 2024 to 2025 primarily due to increases in Housing Assistance Payments and administration expenses.

The following table provides further illustration of the Authority's total operating expenses for the 15 month period ended December 31, 2025.

DRAFT

Nonoperating Revenues and Expenses

Nonoperating activity increased by $823,825 to $4,442,106.

Capital contributions, which is a component of nonoperating activity increased by $54,654 to $883.887.

CAPITAL ASSETS

As of December 31, 2025, capital assets for its business-type activities amounted to $25,250,404 net of accumulated depreciation. This investment in capital assets includes land, buildings, improvements, equipment, and construction in progress.

DEBT OUTSTANDING

On December 31, 2025, the Authority had $14,035,744 in capital debt outstanding compared to $12,550,942 in the prior fiscal year. This debt is in the form of a note payable due to Bandar Properties, the seller of the Castillo del Sol property, in the amount of $600,000 and multiple notes payable due to Montecito Bank & Trust in the amount totaling $13,435,744. Proceeds were used to finance the activities of the various affordable housing projects being developed by the Authority.

ECONOMIC FACTORS AFFECTING HACSB'S FUTURE:

Significant economic factors affecting the Authority are as follows:

- The majority, 76%, of Ventura Housing's funding is from federal agencies in the form of operating subsidies, capital fund grants, Housing Choice Vouchers (HCV) housing assistance payments, and other smaller grants. Federal housing dollars make up the largest source of revenue for Ventura Housing.
- Ventura Housing is a beneficiary of significant Low-Income Housing Tax Credit (LIHTC) Equity dollars provided by investors for the provision of affordable rental housing construction and rehabilitation. These public-private partnerships provide a significant source of equity that continues to fuel the affordable housing developed by Ventura Housing. The competition for tax credits has increased over the past few years, thereby reducing the pool of available funds, and ratcheting up the tie-breaker score. A project eligible two years ago, may no longer be competitive. This creates an opportunity to reassess the community's housing needs and target more expansive projects.
- Local inflation and employment trends, which can affect resident incomes and therefore the amount of rental income.
- Inflationary pressure on utility rates, supplies and other costs.
- The Authority is continuing with Board-approved plans that guide real estate activities, including the provisions for liquidation of non-strategic assets, as appropriate. The Authority's portfolio is being assessed to evaluate properties that no longer align with current strategic plans, including single-family homes. The proceeds would be leveraged to further the Authority's mission and invest in affordable housing.
- The Authority's goal remains to continue to provide safe, quality affordable housing to the nearly 2,400 households we serve through its three core housing programs: Section 8, Public Housing, and nonprofit properties. The Authority looks forward to continuing work on significantly enhancing property management and housing operations, expanding educational, job-training, and health services to residents; and implementing additional efficiencies across the Authority.

Independent Auditor's Report

To the Board of Commissioners
Housing Authority of the City of San Buenaventura, d/b/a Ventura Housing

Report on the Audit of the Financial Statements

Opinions
We have audited the financial statements of Housing Authority of the City of San Buenaventura, d/b/a Ventura Housing (the "Authority") and the aggregate discretely presented component units, as of and for the 15 month period ended December 31, 2025 and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the Authority and the aggregate discretely presented component units, as of December 31, 2025, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of Chapel Lane, L.P., which represent 28 percent, 10 percent, and 22 percent, respectively, of the assets, net position, and revenues of the aggregate blended component units. Those financial statements were audited by other auditors whose report thereon has been furnished to us, and our opinion, insofar as it relates to the amounts included for Chapel Lane, L.P. is based solely on the report of the other auditors.

Basis for Opinions
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Authority and the aggregate discretely presented component units, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's and the aggregate discretely presented component units, ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 1-12, schedule of changes in net pension liability – defined benefit pension plan on page 64, and schedule of employer contributions – defined benefit pension plan on page 65 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Authority's basic financial statements. The accompanying supplemental data, including the financial data schedule and the statement and certification of actual modernization costs, is presented for purposes of additional analysis as required by the U.S. Department of Housing and Urban Development and are not a required part of the basic financial statements. The schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the financial data schedule, the statement and certification of actual modernization costs, and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated September 17, 2026, on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Authority's internal control over financial reporting and compliance.

Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Independent Auditor's Report

To the Board of Commissioners
Housing Authority of the City of San Buenaventura, d/b/a Ventura Housing

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the basic financial statements of the Housing Authority of the City of San Buenaventura, d/b/a Ventura Housing (the "Authority"), the aggregate blended component units, and the discretely presented component unit, as of and for the 15 month period ended December 31, 2025, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated September 17, 2026. Our report includes reference to other auditors who audited the financial statements of Chapel Lane, L.P., as described in our report on the Authority's financial statements. This report does not include the results of other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors. The financial statements of Chapel Lane, L.P. were not audited in accordance with *Government Auditing Standards*.

Report on Internal Control over Financial Reporting
In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters
As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report
The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program and Report on Internal Control over Compliance in Accordance with the Uniform Guidance

Independent Auditor's Report

To the Board of Commissioners
Housing Authority of the City of San Buenaventura, d/b/a Ventura Housing

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program
We have audited the Housing Authority of the City of San Buenaventura, d/b/a Ventura Housing's (the "Authority") compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Authority's major federal programs for the 15 month period ended December 31, 2025. The Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Authority complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the 15 month period ended December 31, 2025.

Basis for Opinion on Each Major Federal Program
We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Authority's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance
Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Authority's federal programs.

Auditor's Responsibilities for the Audit of Compliance
Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Authority's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Authority's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Authority's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Authority's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of Housing Authority of the City of San Buenaventura, d/b/a Ventura Housing (the "Authority") have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The Authority has previously implemented GASB Statement 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments.* Certain significant changes in the statements are as follows: The financial statements will include a Management's Discussion and Analysis (MD&A) section providing an analysis of the Authority's overall financial position and results of operations.

The Authority is a special-purpose government engaged only in business-type activities and therefore, presents only the financial statements required for enterprise funds, in accordance with GASB Statement 34, paragraph 138. For these governments, basic financial statements and required supplemental information consist of:

- Management Discussion and Analysis (MD&A)
- Enterprise fund financial statements consisting of –
  - Statement of Net Position
  - Statement of Revenues, Expenses, and Changes in Fund Net Position
  - Statement of Cash Flows
- Notes to financial statements
- Required supplemental information other than MD& A

The Authority has multiple programs that are accounted for in one enterprise fund, which is presented as the "primary government" in the basic financial statements. Significant Authority policies are described below.

A. The Reporting Entity

The Authority was established as a tax-exempt quasi-governmental entity under the United States Housing Act of 1937 for the purpose of providing affordable housing to low and moderate income families in Ventura County, California. The governing body of the Authority is composed of a 7-member appointed Board of Commissioners (the "Board"). The Mayor appoints the Board, who in turn hires the Chief Executive Officer. The Authority is governed by its charter and by-laws, state and local laws and federal regulations. The Board is responsible for the establishment and adoption of policy. The execution of such policy is the responsibility of the Authority's management.

For financial reporting purposes, the financial reporting entity consists of (1) the primary government (the "Authority"), (2) organizations for which the primary government is financially accountable and (3) other organizations for which the nature and significance of their relationships with the primary government are such that exclusion would cause the primary government's financial statements to be misleading or incomplete. The Authority is financially accountable if it appoints a voting majority of an organization's governing body and (a) it is able to impose its will on the organization or, (b) there is potential for that organization to provide specific financial benefits to, or impose specific financial burdens on the Authority. The Authority may be financially accountable if an organization is fiscally dependent on the Authority. Based on these criteria; the following entities have been identified as component units of the Authority.

Triad Properties

Triad Properties ("Triad") is a California nonprofit public benefit corporation, which was formed to promote and develop affordable housing and related services for low to moderate income households in the County of Ventura, California and may be eligible to apply for specific HUD funding: HOME Program as a Community Housing Development Corporation (CHDO) set-aside funding. Triad is a tax-exempt entity under section 501(c)(3) of the Internal Revenue Code (IRC). Triad owns and operates twenty-six low-income housing units in the City of Ventura.

The relationship between the Authority and Triad is supportive in nature as Triad often carries out its stated purpose of providing decent, safe and affordable housing by supporting the operational goals and objectives of the Authority. In addition, the Authority's Board also acted as the original governing body for Triad. In March 2010, Triad's bylaws were amended, and the Board appointed a new Board of Directors who is now substantially different from that of the Authority's Board. The amended bylaws state that the Triad Board of Directors will serve four-year terms and is now empowered to appoint any new director(s). Therefore, Triad is discretely presented in the current 15 month period financial statements as its own "component unit" column with separate "component unit" disclosures in the notes to the financial statements. All inter-program balances and transactions between the primary government and the discretely presented component unit will be disclosed in the notes to the financial statements *(see Note 12 – Transactions with Discretely Presented Component Unit)*. Separately issued financial statements of Triad Properties may be obtained by contacting Joe Nocella, Chief Financial Officer, Housing Authority of the City of San Buenaventura, d/b/a Ventura Housing, 995 Riverside Street, Ventura, CA 93001.

A. The Reporting Entity (Continued)

Homecomings, Inc

Homecomings, Inc (Homecomings) is a California nonprofit public benefit corporation, which was formed to promote and develop affordable housing for low to moderate income households in the County of Ventura. It can also form partnerships and acts as the general partner in each of the following tax credit partnerships in which it has a .01% ownership interest.

- Chapel Lane, L.P. – 4% tax credit project with 38-senior units; in operation since August 2005.
- Soho Associates, L.P. – 9% tax credit project with 12-family units; full occupancy was reached in September 2011.
- Encanto Del Mar Apartments, L.P. – 9% tax credit project with 37-family units; full occupancy was reached in August 2012.
- Vista Del Mar Commons L.P. – 9% tax credit Rental Assistance Demonstration (RAD) project with 140 units in operation since April 2015.
- Johnson Gardens, L.P. – 4% tax credit Rental Assistance Demonstration (RAD) project with 101 units (99 for elderly/disabled persons); construction completed in February 2016 with full occupancy occurring in March 2016.
- Castillo del Sol, L.P. – 9% tax credit project with 40 units (39 for people with special needs); construction completed, and operations began in January 2016.
- Buena Vida, L.P. – 4% tax credit Rental Assistance Demonstration (RAD) project with 95 units (75 for elderly persons); construction completed and operations began in October 2017.
- Villages at Westview I, L.P. – 4% tax credit Rental Assistance Demonstration (RAD) project with 131 units; construction began in early 2017 and project completed August 2019.
- Rancho Verde Ventura, L.P. – 9% tax credit project with 24 units, construction began in March 2018 and project completed June 2019.
- Willet Ranch, L.P. – 4% tax credit project with 50 units dedicated for senior residents. Project commenced construction in February 2020 and project completed in March 2021.
- El Portal Ventura, L.P. – 9% tax credit project involving the rehabilitation of an existing mixed-use facility that currently has 6 commercial spaces and 33 dwelling units. After rehabilitation, there will be 3 commercial units and 29 dwelling units, with 14 of those units reserved for special needs residents. The rehabilitation project commenced in July 2020 with the residential portion completed in August 2021, and the commercial units completed in 2022.
- Westview Village III L.P. – demolition of 45 public housing units and new construction of 105 family units. Project commenced in September 2020, with a completion date of late 2022; Bridge Housing Corporation is also a Member of the LLC.
- Westview Village II, L.P. – 9% tax credit project that consists of the construction of a 50-unit senior apartment complex. Development amenities will include a community room, child development center, and a park. Construction commenced in April 2022 and completed in April 2024.
- Valentine Road, L.P. – the project consists of the acquisition of a 142-room hotel that will be converted to Permanent Supportive Housing. This is a HomeKey project. Acquisition of the hotel occurred in April 2024, with the first tenants moving into the project in September 2024. It is expected to be fully completed and occupied by January 2026.

Homecomings accounts for its ownership interest in these tax credit partnerships using the equity method. Separately issued financial statements for the aforementioned tax credit partnerships may be obtained by contacting Joe Nocella, Chief Financial Officer, Housing Authority of the City of San Buenaventura, d/b/a Ventura Housing, 995 Riverside Street, Ventura, CA 93001. The Authority both directly and indirectly controls the operations of Homecomings, and the Authority's Board also acts as the governing body for the organization. Therefore, Homecomings is presented as a blended component unit included in the balances of the primary government, thus all significant inter-program balances and transactions between Homecomings and the Authority have been eliminated. No separate financial statements are issued for the Corporation. However, condensed financial statements have been included in *Note 14 – Blended Component Units*.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

ATLAS – Ventura Housing
ATLAS – Ventura Housing is a California nonprofit public benefit corporation, which was formed to provide support to low-income families served by the Authority in the areas of education, careers, and entrepreneurship to attain self-sufficiency. The Authority both directly and indirectly controls the operations of ATLAS – Ventura Housing, and the Authority's Board also acts as the governing body for the organization. Therefore, ATLAS – Ventura Housing is presented as a blended component unit included in the balances of the primary government, thus all significant inter-program balances and transactions between ATLAS – Ventura Housing and the Authority have been eliminated. No separate financial statements are issued for the Corporation. However, condensed financial statements have been included in *Note 14 – Blended Component Units*.

A. The Reporting Entity (Continued)
Chapel Lane, L.P.
Chapel Lane, LP is a California Limited Partnership formed in October 2003 to develop, own and operate a 38-unit senior housing complex (the "Project") located in Ventura, California, with the Project being placed in service in August 2005. The general partner with a .01% ownership interest has been Homecomings, Inc. since inception. In June 2021, pursuant to the Assignment and Assumption of Limited Partner Interest and Administrative Limited Partner Interest and Third Amendment to the Partnership Agreement, the Withdrawing Administrative Limited Partner and Withdrawing Investor Limited Partner sold and assigned their interest in Chapel Lane, L.P. to the Authority. As a result, the Authority now has a 99.99% ownership interest in Chapel Lane, L.P. on top of indirectly having a .01% ownership interest through Homecomings, Inc. Thus the Authority both directly and indirectly controls the operations of Chapel Lane, L.P. Therefore, Chapel Lane, LP is now presented as a blended component unit included in the balances of the primary government. Separate financial statements are issued for Chapel Lane, L.P., which are audited by another auditor. These separately issued financial statements may be obtained by contacting Joe Nocella, Chief Financial Officer, Housing Authority of the City of San Buenaventura, d/b/a Ventura Housing, 995 Riverside Street, Ventura, CA 93001. Chapel Lane, L.P.'s financial statements are also included in the condensed financial statements in *Note 14 – Blended Component Units*. Note that since Chapel Lane, L.P. has a different fiscal year end than the Authority, per GASB 14, the latest audit report dated December 31, 2024, which is the fiscal year ending during the Authority's 15 month period ended December 31, 2025, is used to report Chapel Lane, L.P.'s financials within the Authority's financial statements. Also, due to the fact that Chapel Lane, L.P. and the Authority have different fiscal year ends, all significant inter-program balances and transactions between Chapel Lane, L.P. and the Authority have not been eliminated as these balances and transactions have different balances reported within these financial statements due to the different fiscal years. Any internal transactions or balances between these two entities will thus be disclosed in the footnotes to the financial statements.

B. Measurement Focus, Basis of Accounting, and Financial Statement Presentation
The Authority's financial statements are accounted for on the flow of economic resources management focus using the accrual basis of accounting. The accounting objectives are a determination of net income, financial position, and changes in cash flow.

All assets, deferred outflows of resources, liabilities, and deferred inflows of resources associated with a proprietary fund's activities are included on the Statement of Net Position. Proprietary fund net position is segregated into Net Investment in Capital Assets, Restricted Net Position, and Unrestricted Net Position. Revenues are recognized when they are earned and expenses are recognized when incurred. Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the proprietary funds are rental charges to tenants and operating subsidy grants from HUD. Operating expenses for proprietary funds include the cost of administrative expenses, maintenance expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses. The Authority applies restricted resources to fund restricted costs and unrestricted resources to fund unrestricted costs. All material inter-program accounts and transactions are eliminated in the preparation of the basic financial statements.

The Authority has previously adopted GASB Statement No. 33, *Accounting and Financial Reporting for Nonexchange Transactions*. In accordance with this statement, the Authority accounted for all grants that qualify as non-exchange transactions, recognizing receivables and revenues when all applicable eligibility requirements are met. In addition, capital contributions are recorded on the Statement of Revenues, Expenses, and Changes in Fund Net Position after income before contributions and before changes in net position.

DRAFT

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Generally accepted accounting principles for state and local governments requires that resources be classified for accounting and reporting purposes into the following three net position categories:

- *Net investment in capital assets* – Capital assets, net of accumulated depreciation and outstanding principal balances of debt attributable to the acquisition, construction or improvement of those assets.
- The *restricted* component of net position consists of restricted assets reduced by liabilities and deferred inflows of resources related to those assets.
- The *unrestricted* component of net position is the net amount of the assets, deferred outflows of resources, liabilities, and deferred inflows of resources that are not included in the determination of net investment in capital assets or the restricted component on net position.

C. Cash, Cash Equivalents, and Investments

Cash and cash equivalents include cash on hand, demand deposits and money market accounts. For purposes of the statement of cash flows, the Authority considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents. The carrying amounts reported on the balance sheet approximate fair values because of the short maturities of those investments.

D. Accounts Receivables

Save for accrued interest receivable, which is related to the Authority's notes and mortgages receivable and is not all expected to be collected within the next 12 months, all other accounts receivables are current and due within one year. Receivables are reported net of an allowance for uncollectible accounts. Allowances are reported when accounts are proven to be uncollectible. The only accounts receivable that reported an allowance for uncollectible accounts were tenants receivable. The allowance for uncollectible tenants receivable amount to $10,787.

E. Notes and Mortgages Receivables

Notes and mortgages receivable relate to affordable housing construction activities where the Authority has loaned funds to be used as an investment in affordable housing developments. The notes and mortgages receivable are collectable as defined in the various loan agreements. Any portions of the notes receivable that are deemed due and collectable within the next twelve months are reported as current assets. The remaining notes and mortgages receivable that are deemed collectible beyond the next twelve months are reported as non-current assets. All but $46,500 of the notes and mortgages receivables are considered non-current assets as of December 31, 2025 as only $46,500 of the notes and mortgages receivables are currently due within the next twelve months. No allowance account has been set up as the Authority has determined that the notes and mortgages are fully collectible as of December 31, 2025.

F. Restricted Assets and Liabilities

Debt covenants, HUD regulations, and inter-local agreements restrict the use of certain assets. Restricted assets are offset by related liabilities in accordance with their liquidity.

G. Inventories

Inventories are accounted for under the consumption method and recorded at the lower of cost or market. Materials and supplies are recorded as inventories when purchased and as expenditures when used.

H. Prepaid Items

Prepaid items consist of payments made to vendors for services that will benefit future periods.

DRAFT

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

I. Capital Assets

Capital assets include property, furniture, equipment, and machinery. Capital assets with initial, individual costs that equal or exceed $5,000 and estimated useful lives of over one year are recorded as capital assets. Capital assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation. Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets is expensed in accordance with GASB 89. Construction in progress consists of capital improvements funded by modernization grant programs. Capital assets are depreciated using the straight-line method over the following estimated useful lives:

Assets	Years
Buildings and improvements	7-40
Improvements other than buildings	7-30
Furniture, equipment, and machinery	3-7

J. Compensated Absences

Employees of the Authority earn vacation, sick leave, and other compensated absences in accordance with established policies. In compliance with GASB Statement No. 101, Compensated Absences, the Authority recognizes a liability for compensated absences when the benefit is attributable to services already rendered, it accumulates, and it is more likely than not that the benefit will be used for time off or otherwise paid in cash or settled through non-cash means. The liability is measured using the employee pay rates in effect as of the reporting date and includes salary-related payments directly and incrementally associated with the payment of compensated absences. The portion of the liability expected to be liquidated with expendable available financial resources is reported as a current liability in the governmental funds; the remainder is reported as a noncurrent liability in the statement of net position.

K. Unearned Revenue

The Authority recognizes revenues as it is earned. An amount received in advance of the period in which it is earned is recorded as a liability under unearned revenue.

L. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

M. Deferred Outflows/Inflows of Resources

In addition to assets and liabilities, the statement of financial position will sometimes report separate sections for deferred outflows/inflows of resources. These separate financial statement elements represent a consumption or acquisition of net position that apply to future period(s) and so will not be recognized as an outflow of resources (expenses/expenditure) or an inflow of resources (revenue) until then.

N. Pensions

For purposes of measuring the net pension liability and deferred outflows/inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Local Government of Example's California Public Employees' Retirement System (CalPERS) plans (Plans) and additions to/deductions from the Plans' fiduciary net position have been determined on the same basis as they are reported by CalPERS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

O. Recent Accounting Pronouncements

The Authority has adopted GASB Statement No. 102, Certain Risk Disclosures. Statement 102 requires governments to disclose essential information about risks related to vulnerabilities due to certain concentrations or constraints. GASB Statement 102 requires governments to disclose essential information about risks related to vulnerabilities due to certain concentrations or constraints. A concentration, as defined by Statement 102, is a lack of diversity related to an aspect of a significant inflow or outflow of resources, for example, a small number of companies that represent a majority of employment in a government's jurisdiction, or a government that relies on one revenue source for most of its revenue. A constraint is a limitation imposed on a government by an external party or by formal action of the government's highest level of decision-making authority, such as a voter-approved property tax cap or a state-imposed debt limit. The adoption of GASB Statement No. 102 had no material effect on the Authority's December 31, 2025 financial statements.

NOTE 2 – CASH DEPOSITS AND INVESTMENTS

Cash and investments may be invested in the following HUD-approved vehicles:

- Direct obligations of the federal government backed by the full faith and credit of the United States;
- Obligations of government agencies;
- Securities of government sponsored agencies;
- Demand and savings deposits; and,
- Time deposits and repurchase agreements.

At December 31, 2025, cash was in bank deposits or money market accounts. Neither the Authority nor Triad had any investments. All of the Authority's federal funds were insured or collateralized with securities held by the Authority or by its agent in the Authority's name. The Authority's cash balances at December 31, 2025 totaled $16,345,692. Triad's cash balances at December 31, 2025 totaled $428,921.

Interest Rate Risk – The Authority's formal investment policy does not specifically address the exposure to this risk.

Credit Risk – The Authority's formal investment policy does not specifically address credit risk. Credit risk is generally evaluated based on the credit ratings issued by nationally recognized statistical rating organizations.

Custodial Credit Risk – The Authority's policy is to limit credit risk by adherence to the list of HUD permitted investments, which are backed by the full faith and credit of or a guarantee of principal and interest by the U.S. Government.

Concentration of Credit Risk – The Authority's investment policy does not restrict the amount that the Authority may invest in any one issuer.

NOTE 4 – NOTES AND MORTGAGES RECEIVABLE (Continued)

Homecomings, Inc. received this $637,000 Note from El Portal Ventura, LP ("El Portal") to assist El Portal in the development of 28 low-income housing tax credit units, plus one manager's unit, and certain accessory uses on real property located at 1254-1280 North Ventura Avenue, in Ventura County. The property and the improvements are collectively referred to as the "Development". H&P obtained the above information from the Homecomings, Inc. Loan Promissory Note located in the perm file at the following workpapers. The outstanding principal balance of this note bears no interest provided, however, if a default occurs, interest on the principal balance will begin to accrue, as of the date of the default and continuing until such time as the loan funds are repaid in full or the default is cured, at the default rate of the lesser of ten percent, compounded annually, or the highest rate permitted by law. The term of this Note commenced on October 21, 2022 and expires 55 years after the date a final certificate of occupancy, or equivalent document is issued by the City of San Buenaventura to certify that the Development may be legally occupied (the "Completion Date"); provided, however, if a record of the Completion Date cannot be located or established, the term expires on the 57th anniversary of the date of this Note. All principal and accrued interest on the loan is due and payable upon the earlier to occur of: (i) the date of default, (ii) the expiration of the term, and (iii) any sale, transfer, assignment, or conveyance of the Development other than to El Portal Ventura LLC ("LLC"), a California limited liability company, or an affiliate of the LLC, provided, however, nothing shall prohibit any transfer of any interest in El Portal. The loan is secured by a Deed of Trust, Security Agreement, and Fixture Filing, wherein El Portal is the Trustor and Homecomings, Inc. is the Beneficiary, covering El Portal's fee interest in the property, to be recorded in the official records of Ventura County. During the fiscal year ended September 30, 2023, Homecomings, Inc. disbursed 100% of these funds to El Portal. All of the $637,000 in outstanding note receivable principal at December 31, 2025 is classified as noncurrent assets on the face of the Statement of Net Position as none of these assets are expected to be collected within the next 12 months.	637,000
The Authority received a promissory note from Valentine Road, LP on March 1, 2025 in exchange for a loan of $2,500,000 in Homeless Housing Assistance and Prevention ("HHAP") Grant Funds that the Authority received from the County of Ventura. These grant funds were provided to the Authority to assist in the reduction of homelessness, which the Authority then turned around and used in the development of the Valentine Road apartments that were being developed to provide housing for individuals and families who are experiencing homelessness or who are at risk of homelessness. The use of these funds are subject to the terms and conditions of a Homeless Housing Assistance & Prevention Program Grant Subrecipient Agreement by and between the Authority and the County of Ventura dated March 19, 2025. The loan bears no interest, provided, however, if a default occurs, the whole of the unpaid principal shall commence to bear interest at the default rate of 10%, and at the election of the Authority and without notice of such election, shall become immediately due and payable. The term of this Note commenced on March 1, 2025 and expires on December 31, 2081. For any calendar year that it is determined that there are available residual receipts, the Authority will be paid an amount equal to their share of residual receipts for such calendar year. No later than May 1st of each year, Valentine Road, LP will provide to the Authority their calculation of residual receipts for the previous calendar year, accompanied by such supporting documentation as the Authority may reasonably request, including without limitation an independent audit prepared for the Project by a certified public accountant. Commencing on June 30th of the first year for which there are available residual receipts, and each anniversary thereafter until the maturity date, Valentine Road, LP will make annual payments to the Authority in an amount equal to their share of the residual receipts for the calendar year most recently ended. The loan is secured by a Deed of Trust, Security Agreement, assignment of rents, and fixture filing, wherein Valentine Road, LP is the Trustor and the Authority is the Beneficiary, covering Valentine Road, LP's fee interest in the property, to be recorded in the official records of Ventura County. As of the 15 month period ended December 31, 2025, the outstanding principal balance of this note receivable amounts to $2,500,000, with all of the receivable being noncurrent since none of the outstanding principal is expected to be repaid within the next 12 months.	2,500,000

Plan Descriptions – All qualified permanent and probationary employees are eligible to participate in the Authority's Miscellaneous Employee Pension Plan, a cost-sharing multiple employer defined benefit pension plan administered by the California Public Employees' Retirement System (CalPERS). Benefit provisions under the Plan are established by State statute and Authority resolution. CalPERS issues publicly available reports that include a full description of the pension plan regarding benefit provisions, assumptions and membership information that can be found on the CalPERS website.

Benefits Provided – CalPERS provides service retirement and disability benefits, annual cost of living adjustments and death benefits to plan members, who must be public employees and beneficiaries. Benefits are based on years of credited service, equal to one year of full-time employment. Members with five years of total service are eligible to retire at age 50 with statutorily reduced benefits. All members are eligible for non-duty disability benefits after 10 years of service. The death benefit is one of the following: the Basic Death Benefit, the 1959 Survivor Benefit, or the Optional Settlement 2W Death Benefit. The cost-of-living adjustments for each plan are applied as specified by the Public Employees' Retirement Law.

NOTE 9 – PENSION PLANS (Continued)

The Plan's provisions and benefits in effect at December 31, 2025 are summarized as follows:

	Miscellaneous Rate Plan		
Hire date	Prior to April 5, 2008	On or after April 5, 2008 but prior to January 1, 2013	On or after January 1, 2013
Benefit tier	Tier 1	Classic	PEPRA
Benefit formula	2.7% @ 55	2.0% @ 60	2.0% @ 62
Benefit vesting schedule	5 years service	5 years service	5 years service
Benefit payments	monthly for life	monthly for life	monthly for life
Retirement age	50 - 55	50 - 55	52 - 67
Monthly benefits, as a % of eligible compensation	2.00% to 2.700%	1.092% to 2.418%	1.000% to 2.500%
Required employee contribution rates	8.00%	7.00%	7.75%
Required employer contribution rates	16.75%	10.18%	7.93%

Contributions – Section 20814(c) of the California Public Employees' Retirement Law requires that the employer contribution rates for all public employers are determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. Funding contributions for the Plan are determined annually on an actuarial basis as of June 30 by CalPERS. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. The employer (the Authority) is required to contribute the difference between the actuarially determined rate and the contribution rate of employees. Employer contribution rates may change if plan contracts are amended. Payments made by the employer to satisfy contribution requirements that are identified by the pension plan terms as plan member contribution requirements are classified as plan member contributions. For the 15 month period ended December 31, 2025, employer contributions to the Plan were $851,590, which included lump-sum payments of $84,441 on top of the required employer contributions of $767,149. Employee contributions to the Plan for the 15 month period ended December 31, 2025 were $552,712. The Authority's required contribution rates at December 31, 2025 were determined as part of the actuarial valuation as of June 30, 2024.

B. Pension Liabilities, Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions
As of December 31, 2025, the Authority reported $9,520,791 in net pension liability for its proportionate share of the net pension liability of the Plan.

The Authority's net pension liability for the Plan is measured as the proportionate share of the net pension liability. The net pension liability of the Plan is measured as of June 30, 2025, and the total pension liability for the Plan used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2024 rolled forward to June 30, 2025 using standard update procedures. The Authority's proportion of the net pension liability was based on a projection of the Authority's long-term share of contributions to the pension plan relative to the projected contributions of all participating employers, actuarially determined. The Authority's proportionate share of the net pension liability for the Plan as of June 30, 2024 and 2025 was 0.2209% and 0.2387%, respectively. This constitutes a year-over-year increase of 0.0018%.

The Plan had changes in benefit terms that affected measurement of the total pension liability since the prior measurement date. These changes in benefit terms decreased net pension liability by $1,163,955.

NOTE 9 – PENSION PLANS (Continued)

For the 15 month period ended December 31, 2025, the Authority recognized pension expense/(income) of $1,899,915. At December 31, 2025, the Authority reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	$ 1,140,819	$ -
Net difference between projected and actual earnings on pension plan investments	-	1,288,268
Changes in proportion	3,922	336,745
Differences between Authority contributions and proportionate share of contributions	162,958	-
Authority contributions subsequent to the measurement date	425,740	-
Total	$ 1,733,439	$ 1,625,013

$425,740 reported as deferred outflows of resources related to contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended December 31, 2026. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized as pension expense as follows:

Year ended December 31:	
2026	1,147,598
2027	(358,149)
2028	(614,976)
2029	(491,785)
2030	-
Thereafter	-

NOTE 9 – PENSION PLANS (Continued)

Actuarial Assumptions – The total pension liabilities in the June 30, 2024 actuarial valuations were determined using the following actuarial assumptions:

	Miscellaneous Rate Plan
Valuation Date	June 30, 2024
Measurement Date	June 30, 2025
Actuarial Cost Method	Entry-Age Normal Cost Method
Actuarial Assumptions:	
Discount Rate	6.90%
Inflation	2.30%
Projected Salary Increase	Varies by Entry Age and Service
Investment Rate of Return	6.90%
Mortality Rate Table (1)	Derived using CalPERS' Membership Data for all Funds
Post Retirement Benefit Increase	Contract COLA up to 2.00% until Purchasing Power Protection Allowance Floor on Purchasing Power applies

(1) The mortality table used was developed based on CalPERS-specific data. The rates incorporate Generational Mortality to capture ongoing mortality improvement using 80% of Scale MP 2020 published by the Society of Actuaries. For more details, please refer to the 2021 experience study report that can be found on the CalPERS website.

All other actuarial assumptions used in the June 30, 2024 valuation were based on the results of a 2021 experience study for the period from 2000 through 2019, including updates to salary increase, mortality and retirement rates. Further details of the Experience Study report can be found on the CalPERS website at www.calpers.ca.gov under Forms and Publications.

Discount Rate – The discount rate used to measure the total pension liability was 6.90 percent. This discount rate is not adjusted for administrative expenses. Fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return for the pension plan investments were applied to all periods of projected benefit payments to determine the total pension liability.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class.

In determining the long-term expected rate of return, CalPERS took into account both short-term and long-term market return expectations as well as the expected pension fund cash flows. Using historical returns of all the Public Employees Retirement Funds' asset classes, expected compound (geometric) returns were calculated over the short-term (first 10 years) and the long-term (11+ years) using a building-block approach. Using the expected nominal returns for both short-term and long-term, the present value of benefits was calculated for each fund. The expected rate of return was set by calculating the rounded single equivalent expected return that arrived at the same present value of benefits for cash flows as the one calculated using both short-term and long-term returns. The expected rate of return was then set to equal the single equivalent rate and adjusted to account for assumed administrative expenses.

NOTE 9 – PENSION PLANS (Continued)

The table below reflects the long-term expected real rate of return by asset class. The rate of return was calculated using the capital market assumptions applied to determine the discount rate.

Asset Class	Assumed Asset Allocation (1)	Real Return (2)
Public Equity	37%	4.56%
Private Equity	17%	5.56%
Fixed Income	28%	2.53%
Real Assets	15%	3.03%
Private Debt	8%	4.93%
Strategic Leverage	-5%	1.40%
Total	100%	

(1) Figures are based on the 2024 Mid-Cycle Asset Liability Management study.
(2) An expected inflation of 2.30% is used for this period.

Sensitivity of the Proportionate Share of the Net Pension Liability to Changes in the Discount Rate – The following presents the Authority's proportionate share of the net pension liability for the Miscellaneous Rate Plan, calculated using the discount rate for this Plan, as well as what the Authority's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower or 1-percentage point higher than the current rate:

	1% Decrease (5.90%)	Current Discount Rate (6.90%)	1% Increase (7.90%)
Authority's proportionate share of the net pension liability	$ 14,839,401	$ 9,520,791	$ 5,143,630

Pension Plan Fiduciary Net Position – Detailed information about the Miscellaneous Rate Pension Plan's fiduciary net position is available in the separately issued CalPERS financial reports.

CalPERS/VOYA Deferred Compensation 457(b) Benefit Plan

The Authority has a Deferred Compensation 457(b) benefit plan with CalPERS/VOYA, Inc. for its employees, which are administered by CalPERS. The plan was adopted by the Board of Commissioners on June 15, 1977. This plan has since been converted to the CalPERS/VOYA Deferred Compensation plan on July 31, 2009. Only the Board has the authority to approve any amendments to the plan. In a deferred compensation plan, benefits depend solely on amounts contributed to the plan by the individual employee. Employees are eligible for the plan on their date of hire and are not required to participate in the plan. The Authority does not contribute to this plan. During the past 15 month period, the total contributions made by the Authority's employees to the plan were approximately $473,471. Employees, through salary deductions, can contribute up to the IRC 402(g) limit, which has been determined to be $23,500 for 2025. Employees age 50 and over may contribute up to $30,500 using the Age 50+ catch-up contribution limit. Employees can also use a special "final three years" catch-up provision, which can potentially allow employees to contribute up to double the standard limit (i.e., up to $47,000 in 2025). However, employees cannot use both the 50+ catch-up and the 3-year catch-up in the same year.

NOTE 10 – RISK MANAGEMENT

The Authority is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Authority has mitigated this risk by obtaining insurance coverage from commercial insurance companies. Premiums paid for insurance coverage are recorded as expenses of the funds affected. The various insurance policies are subject to deductible amounts and maximum coverages. If the deductibles and maximums are exceeded, this could cause the Authority to suffer losses if a loss is incurred from any such incidents. The ultimate outcome of uninsured losses cannot presently be determined, and no provision for any liability that may result, if any, has been made in the financial statements. During the current 15 month period and the prior three years, settled claims have not exceeded coverage levels, and insurance coverage, by major categories of risk, is consistent with prior year.

NOTE 11 – CONCENTRATION OF RISK

The Authority receives most of its funding from HUD. These funds and grants are subject to modification by HUD depending on availability of funding.

NOTE 12 – TRANSACTIONS WITH DISCRETELY PRESENTED COMPONENT UNIT

The Authority acts as the managing agent for housing units owned by Triad Properties ("Triad"). All receipts and disbursements of the entity are administered by the Authority. The Authority charges Triad certain agreed upon management fees for time and services rendered by the Authority while managing Triad's operations. Total management fees charged to Triad by the Authority for the 15 month period ended December 31, 2025 amounted to $23,311. The Authority also incurs certain direct costs on behalf of Triad and is later reimbursed by Triad. The total amount of such costs incurred by the Authority on behalf of Triad for the 15 month period ended December 31, 2025 amounted to $347,149. These management fees and costs incurred by the Authority on behalf of Triad are included in administration expenses under the Component Unit column and in other revenue under the Primary Government column on the face of the Statement of Revenues, Expenses, and Changes in Fund Net Position. At December 31, 2025, Triad did not owe the Authority any unpaid management fees and/or unreimbursed costs incurred by the Authority on behalf of Triad.

Triad also receives Housing Assistance Payments (HAP) from the Authority's Housing Choice Voucher program. During the 15 month period ended December 31, 2025, Triad recognized $361,770 in HAP from the Authority. This Authority cost is included in the Authority's housing assistance payments and the Triad benefit is included in Triad's rental income on the face of the Statement of Revenues, Expenses, and Changes in Fund Net Position.

Triad also holds a note payable due to the Authority in the amount of $918,141 (*see Note 7 – Notes Payable*) at December 31, 2025 for the acquisition of affordable housing property in a prior year. This Authority receivable is included in the Authority's current and noncurrent notes and mortgages receivable and the Triad payable is included in Triad's current and noncurrent notes payable on the face of the Statement of Net Position. Principal payments made during the 15 month period amounted to $46,500. The Authority expects to collect from Triad $46,500 in principal payments within the next twelve months.

As Triad is a discretely presented component unit of the Authority, none of the above balances or transactions have been eliminated.

NOTE 13 – AFFILIATED ORGANIZATIONS

The affiliations mentioned below do not meet the criteria set forth in *GASB 61, The Financial Reporting Entity: Omnibus – an Amendment of GASB Statements No. 14 and No. 39* for the inclusion in the reporting entity of the Authority.

Soho Associates, L.P. (Soho)
The Authority is the developer and management agent for Soho Associates, L.P., a California Limited Partnership formed for the purpose of developing, operating, and managing a rental housing project. The project consists of a 12-unit residential rental property consisting of multifamily affordable housing located in Ventura, California. Homecomings, Inc. is the sole member of Soho Housing, LLC who is the general partner with a .01% ownership interest in the limited partnership. The project was completed and full occupancy was reached in September 2011. During the 15-month period, the Authority recognized $24,872 in property management, other administrative, and maintenance fees, while Homecomings, Inc. recognized $11,337 in partnership management fees, all of which are included in other revenues on the face of the Statement of Revenues, Expenses and Changes in Fund Net Position. At December 31, 2025, Soho owes the Authority and Homecomings, Inc. $3,309 and $9,121, respectively, in outstanding fees and unreimbursed expenses incurred by the Authority on its behalf, which are included in miscellaneous receivable on the face of the Statement of Net Position.

NOTE 13 – AFFILIATED ORGANIZATIONS (Continued)

As of the 15 month period-ended December 31, 2025, Soho owes the Authority $1,186,724 in the form of two notes payable, and noncurrent accrued interest receivable amounted to $264,828 (*see Note 4 – Notes and Mortgages Receivable*), which are included in notes and mortgages receivable, net of current portion and accrued interest receivable, net of current portion, respectively, on the face of the Statement of Net Position. Interest earned by the Authority on these loans during the 15 month period amounted to $22,491, which is included in interest revenue on the face of the Statement of Revenues, Expenses, and Changes in Fund Net Position.

Soho also receives Housing Assistance Payments (HAP) from the Authority's Housing Choice Voucher program. During the 15 month period ended December 31, 2025, Soho recognized $329,100 in HAP from the Authority, which is included in housing assistance payments on the face of the Statement of Revenues, Expenses, and Changes in Fund Net Position.

Lastly, if Homecomings, Inc., as the sole member of Soho Housing LLC (the "General Partner") is at all times a qualified nonprofit organization (within the meaning of IRC Section 42(h)(5)(C)), it will have (i) an option to purchase the Project or the Limited Partners' Partnership interests for the greater of outstanding indebtedness plus any exit taxes or the fair market value of the Project and (ii) a right of first refusal to acquire the Limited Partners' interests in the Partnership or the Project at the end of the fifteen 15 month period tax credit compliance period, for a purchase price equal to no less than $1, plus the greater of (a) the minimum purchase price for qualified nonprofit organizations as set forth in IRC Section 42(i)(7)(B), or (b) the amount of federal, state and local tax liability that the Limited Partners would incur as a result of such sale. Such right of first refusal shall be triggered by a bona fide offer for the Project. They may exercise the Purchase Option for the Project or Limited Partners interest at any time after the close of the Credit Period to the end of the Compliance Period as defined, with the consent of the Limited Partners which may be withheld in its sole and absolute discretion.

Encanto Del Mar Apartments, L.P. (Encanto)
The Authority is the developer and management agent for Encanto Del Mar Apartments, L.P., a California Limited Partnership formed for the purpose of developing, operating, and managing a rental housing project. The project consists of a 37-unit 9% tax credit, affordable housing development located in Ventura, California. Homecomings, Inc is the sole member of Encanto Del Mar Apartments, LLC who is the general partner with a .01% ownership interest in the limited partnership. The project construction was finalized in December 2012. During the 15 month period, the Authority recognized $61,966 in developer fees, $80,662 in property management, other administrative, and maintenance fees, while Homecomings, Inc. recognized $16,523 in partnership management fees, all of which are included in other revenues on the face of the Statement of Revenues, Expenses and Changes in Fund Net Position. At December 31, 2025, Encanto owes the Authority and Homecomings, Inc. $12,382 and $136,009, respectively, in outstanding fees and unreimbursed expenses incurred by the Authority on its behalf, which are included in miscellaneous receivable on the face of the Statement of Net Position. The Authority also has certain compliance monitoring responsibilities as it relates to this development (*see Note 15(B) – Commitments and Contingencies).*

Encanto also receives Housing Assistance Payments (HAP) from the Authority's Housing Choice Voucher program. During the 15 month period ended December 31, 2025, Encanto recognized $273,705 in HAP from the Authority, which is included in housing assistance payments on the face of the Statement of Revenues, Expenses, and Changes in Fund Net Position.

Vista Del Mar Commons, L.P. (Vista Del Mar)
The Authority is the developer and management agent for Vista Del Mar Commons, L.P., a California Limited Partnership formed for the purpose of developing, operating, and managing a rental housing project. The project consists of a 140-unit 9% tax credit, Rental Assistance Demonstration (RAD) project located in Ventura, California. The project also includes 2 program/office units. Homecomings, Inc. is the sole member of Vista Del Mar Commons, LLC who is the general partner with a .01% ownership interest in the limited partnership. The construction loan closed in January 2014. NOTE 15 – COMMITMENTS AND CONTINGENCIES

A. Grants

Amounts received or receivable from HUD are subject to audit and adjustment by grantor agencies. If expenses are disallowed as a result of these audits, the claims for reimbursement to the grantor agency would become a liability of the Authority. In the opinion of management, any such adjustments would not be significant.

B. NSP-R Program Loan Guarantee

In connection with the development of the Encanto Del Mar Apartments affordable housing project, permanent financing was obtained from various sources, including a $9.4 million Neighborhood Stabilization Program (NSP-R) loan from the Department of Housing and Community Development of the State of California (the "Department") and an NSP 1 grant award from the County of Ventura in the amount of $443,636. The loans are the obligation of the Encanto Del Mar Apartments, L.P. (the "Borrower"). However, for the NSP-R loan, the Authority is listed as the sponsor organization – as defined in the loan agreements – and has ultimate responsibility to ensure compliance with the terms and conditions of the program for the life of this loan. As the sponsoring organization, the Authority is subject to the same liability as the Borrower if it fails to ensure compliance. Therefore, the outstanding balance of the NSP-R loan is included in the Authority's Schedule of Expenditures of Federal Awards (SEFA) (*see SEFA Note 3 – NSP-R Program Loan*). The outstanding loan balance and related transactions are included in the financial statements of the Borrower. To date, no liability has been reported by the Authority related to this loan as there has been no evidence that there has been or will be a default on this loan.

NOTE 15 – COMMITMENTS AND CONTINGENCIES (Continued)

C. Multifamily Housing Revenue Note (Buena Vida Apartments) 2016 Series A Loan Guarantee

In connection with the development of the Buena Vida Apartments affordable housing project, a loan (the Funding Loan) with a maximum amount of $20,000,000 was obtained by the Authority (the Governmental Lender) from Citibank, N.A. (the Funding Lender) under which the Funding Lender will advance funds to or for the account of the Governmental Lender, and apply the proceeds of the funding loan to make a loan (the Borrower Loan) to Buena Vida, L.P. (the Borrower) to finance the acquisition and rehabilitation of the Buena Vida Apartments affordable housing project. The Governmental Lender then turned around and provided a loan (the Borrower Loan) to the Borrower for the same maximum amount of $20,000,000. The Governmental Lender executed and delivered to the Funding Lender its Housing Authority of the City of San Buenaventura Multifamily Housing Revenue Note (Buena Vida Apartments) 2016 Series A (the Governmental Lender Note), evidencing its obligation to make the payments due to the Funding Lender under the Funding Loan as provided in the Funding Loan agreement. The Borrower then executed and delivered to the Governmental Lender its promissory note (the Borrower Note) evidencing its obligation to make the payments due to the Governmental Lender directly to the Funding Lender on behalf of the Governmental Lender as provided in the Borrower Loan agreement. The Funding Loan was never received by the Governmental Lender as the Funding Loan proceeds were provided directly to the Borrower from the Funding Lender. Also, no repayments of debt principal or interest will be made by the Governmental Lender to the Funding Lender as the Borrower will make all repayments directly to the Funding Lender. The Governmental Lender thus is acting as a pass-through entity in these transactions. Therefore, the loans are ultimately the obligation of the Borrower. This construction loan was subsequently converted to a permanent loan with a new loan balance of $900,000 in May 2018 and is continuing to be paid upon until the date of maturity, which is March 2049.However, as the terms of these loan agreements state that the Governmental Lender is to act as the guarantor for completion and repayment by the Borrower of the debt principal and interest back to the Funding Lender, the Governmental Lender is subject to the same liability as the Borrower if it fails to ensure compliance with the terms of the loan agreements. Therefore, this note disclosure regarding this loan guarantee is included in the footnotes to the Authority's financial statements, but the outstanding loan balance and related transactions are included in the financial statements of the Borrower. To date, no liability has been reported by the Authority related to this loan as there has been no evidence that there has been or will be a default on this loan. As of December 31, 2024, the date of the latest audited financial statements of the Borrower, the remaining balance of this loan was $545,026, net of unamortized debt issuance costs.

D. Multifamily Housing Revenue Note (Villages at Westview I Apartments) 2016 Series A Loan Guarantee

In connection with the development of the Villages at Westview I Apartments affordable housing project, a loan (the Funding Loan) with a maximum amount of $39,700,000 was obtained by the Authority (the Governmental Lender) from Citibank, N.A. (the Funding Lender) under which the Funding Lender will advance funds to or for the account of the Governmental Lender, and apply the proceeds of the funding loan to make a loan (the Borrower Loan) to Villages at Westview I, L.P. (the Borrower) to finance the acquisition and rehabilitation of the Villages at Westview I Apartments affordable housing project. The Governmental Lender then turned around and provided a loan (the Borrower Loan) to the Borrower for the same maximum amount of $39,700,000. The Governmental Lender executed and delivered to the Funding Lender its Housing Authority of the City of San Buenaventura Multifamily Housing Revenue Note (Villages at Westview I Apartments) 2016 Series A (the Governmental Lender Note), evidencing its obligation to make the payments due to the Funding Lender under the Funding Loan as provided in the Funding Loan agreement. The Borrower then executed and delivered to the Governmental Lender its promissory note (the Borrower Note) evidencing its obligation to make the payments due to the Governmental Lender directly to the Funding Lender on behalf of the Governmental Lender as provided in the Borrower Loan agreement. The Funding Loan was never received by the Governmental Lender as the Funding Loan proceeds were provided directly to the Borrower from the Funding Lender. Also, no repayments of debt principal or interest will be made by the Governmental Lender to the Funding Lender as the Borrower will make all repayments directly to the Funding Lender. The Governmental Lender thus is acting as a pass-through entity in these transactions. Therefore, the loans are ultimately the obligation of the Borrower. This construction loan was subsequently converted to a permanent loan with a new loan balance of $20,170,000 in June 2020 and is continuing to be paid upon until the date of maturity, which is January 2036. However, as the terms of these loan agreements state that the Governmental Lender is to act as the guarantor for completion and repayment by the Borrower of the debt principal and interest back to the Funding Lender, the Governmental Lender is subject to the same liability as the Borrower if it fails to ensure compliance with the terms of the loan agreements. Therefore, this note disclosure regarding this loan guarantee is included in the footnotes to the Authority's financial statements, but the outstanding loan balance and related transactions are included in the financial statements of the Borrower. To date, no liability has been reported by the Authority related to this loan as there has been no evidence that there has been or will be a default on this loan. As of December 31, 2024, the date of the latest audited financial statements of the Borrower, the remaining balance of this loan was $18,698,459 net of unamortized debt issuance costs.

NOTE 15 – COMMITMENTS AND CONTINGENCIES (Continued)

E. Pending Litigation

The Authority is involved in various pending or threatened legal actions arising from matters relating to its normal operation. The Authority intends to vigorously defend itself in all litigation. The Authority's potential liability in these matters, if any, cannot yet be determined.

NOTE 16 – INTER-PROGRAM BALANCES

Inter-program balances at December 31, 2025 consisted of the following:

	Interprogram Due From	Interprogram Due To
Central Office Cost Center	$ 480,503	$ -
Public Housing Operating Fund	7,221	63,132
Housing Choice Voucher Program	-	216,875
Business Activities	1,397,158	-
Resident Opportunity and Supportive Services	-	17,852
Component Units - Blended	-	1,549,991
Family Self-Sufficiency Program	-	37,032
Total	$ 1,884,882	$ 1,884,882

These inter-program balances exist because in the normal course of operations, certain programs may pay for common costs or advance funds to meet the operational needs of other programs, which create inter-program receivables or payables. These balances are expected to be repaid within one year from the balance sheet date. In addition, these inter-program balances have been eliminated in the preparation of the basic financial statements.

NOTE 17 – RESTRICTED NET POSITION

Restricted net position consists of excess Housing Assistance Payment (HAP) funds available to the Authority under the Section 8 Housing Choice Vouchers program, Mainstream Vouchers program, and Emergency Housing Voucher program. These funds are to be used only for current and future HAP expenditures for the program. Total restricted net position related to these excess HAP funds at December 31, 2025 were $0 for the Housing Choice Voucher program, $21,287 for the Mainstream Voucher program, and $5,007 for the Emergency Housing Voucher program. Restricted net position also consists of $59,375 in funds that consist of replacement reserves for the Olive Street Apartments. The remaining $1,390,213 in restricted net position consists of Chapel Lane, L.P. funds that consist of operating reserves held to fund operating deficits, replacement reserves held for replacement and repair of property and equipment, and a construction escrow set up to manage and disburse funds related to construction and rehabilitation activities. It is of note that the Chapel Lane, L.P. balances are as of December 31, 2024 and not as of the Authority's 15 month period ended December 31, 2025.

NOTE 18 – SUBSEQUENT EVENTS

Events that occur after the balance sheet date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about the conditions that existed at the balance sheet date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the balance sheet date require disclosure in the accompanying notes. Management evaluated the activity of the Authority through September 17, 2026 (the date the financial statements were available to be issued) and concluded that no subsequent events have occurred that require recognition in the financial statements or disclosure in the notes to the financial statements.

NOTE 19 – FINANCIAL DATA SCHEDULE

The Authority prepares its financial data schedule in accordance with HUD requirements in a prescribed format. The schedule's format excludes housing assistance payments expense and depreciation expense from operating activities, and includes investment revenue, interest expense (related to capital debt), and capital contributions in operating activities, which differs from the presentation of the basic financial statements. Lastly, the schedule's format combines GASB 87-related right-to-use lease assets, net of accumulated amortization with capital assets, net of accumulated depreciation, and combines GASB 87-related current and noncurrent lease liability with current and noncurrent capital debt. The presentation of both the right-to-use lease assets, net of accumulated amortization as well as the current and noncurrent lease liabilities within the basic financial statements differs in that these balances are separated and reported separately.

Notes to Schedule:

Changes of Benefit Terms: There were no changes to benefit terms that applied to all members of the Public Agency Pool. However, individual employers in the Plan may have provided a benefit improvement to their employees such as Golden Handshakes, service purchases, and other prior service costs. Employers that have done so may need to report this information as a separate liability in their financial statement as CalPERS considers such amounts to be separately financed employer-specific liabilities. These employers should consult with their auditors. Additionally, the figures above do not include any liability impact that occurred after the June 30, 2024 valuation date, unless the liability impact is deemed to be material to the Public Agency Pool.

Changes of Assumptions: There were no assumption changes in 2023 through 2025. Effective with the June 30, 2021 valuation date (2022 measurement date), the accounting discount rate was reduced from 7.15% to 6.90%. In determining the long-term expected rate of return, CalPERS took into account long-term market return expectations as well as the expected pension fund cash flows. In addition, demographic assumptions and the price inflation assumption were changed in accordance with the 2021 CalPERS Experience Study and Review of Actuarial Assumptions. The accounting discount rate was 7.15% for measurement dates June 30, 2017 through June 30, 2021, and 7.65% for measurement date June 30, 2016,.

DRAFT

Note 1 – Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of the Authority under programs of the federal government for the 15 month period ended December 31, 2025. The information in this Schedule is *presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Authority, it is not intended to and does not present the financial position, changes in net position, or cash flows of the Authority.

Note 2 – Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. The Authority has elected to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Note 3 – NSP-R Program Loan

The Authority is the sponsor organization – as defined in the NSP-R Loan Agreements (the "Agreements") between the Department of Housing and Community Development of the State of California (the "Department") and Encanto Del Mar Apartments, L.P. (the "Borrower") – and has ultimate responsibility to ensure compliance with the terms and conditions of the Agreements for the life of the loan. As the sponsoring organization, the Authority is subject to the same liability as the Borrower if it fails to ensure compliance. The outstanding loan balance and related transactions are included in the financial statements of the Borrower. There was no change in the outstanding loan balance this 15 month period.

2024-001 – Significant Deficiencies in Internal Controls over Financial Reporting

Condition and Criteria:	During our audit, it was determined that material misstatements were made to the current financial statements resulting from significant deficiencies in internal controls over the financial reporting process. These misstatements were found within current and noncurrent notes receivable, noncurrent accrued interest receivable, unrestricted net position, other government grant revenue, other miscellaneous revenue, and mortgage interest income. A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements of the financial statements on a timely basis. AU Section 265 states that deficiencies in controls over the period-end financial reporting process, including controls over procedures used to enter transactions totals into the general ledger; initiate, authorize, record and process journal entries into the general ledger; and record recurring and nonrecurring adjustments to the financial statements, are ordinarily at least significant deficiencies.
Cause:	The Authority's and Homecomings, Inc.'s internal controls over the financial reporting process that were in place surrounding the previously mentioned receivables and revenues were not being properly implemented. The Authority failed to identify material misstatements in the financial statements because of the inability to locate and account for a complete list of loans that were provided by the Authority to related parties, along with the original funds provided to them to be used as the source of these loans.
Effect:	The financial statements and footnote disclosures required material adjustments. Unrestricted net position increased by $10,982,519 as a result of these adjustments.
Auditor's Recommendation:	Both the Finance Department and Real Estate and Development Departments should work hand in hand to identify any and all development activities that occur that would require accounting for and/or disclosing within the financial statements. The ongoing development projects can be highly complex and thus require heavy scrutiny throughout the life of the development process. Reading of the various documents that compose the evidentiary documents for these projects must be done by staff who have the necessary understanding of how to identify any activities that would affect the financial statements.
Grantee Response:	Management acknowledges the finding and is following the auditor's recommendations.
Current Year Status:	The Authority's management has effectively implemented the necessary changes to remediate these issues; therefore, the finding will not be repeated.

To the Board of Commissioners
Housing Authority of the City of San Buenaventura, d/b/a Ventura Housing

Independent Accountant's Report

We have performed the procedures enumerated below, which was agreed to by Housing Authority of the City of San Buenaventura, d/b/a Ventura Housing ("the Authority") and the U.S. Department of Housing and Urban Development, Real Estate Assessment Center (REAC), on whether the electronic submission of certain information agrees with related hard copy documents included within the Single Audit reporting package for the 15 month period ended December 31, 2025. The Authority's management is responsible for accuracy and completeness of the electronic submission for the 15 month period ended December 31, 2025.

The Authority has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of whether the electronic submission of certain information agrees with related hard copy documents included within the Single Audit reporting package. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and the associated findings are as follows:

We compared the electronic submission of the items listed in the chart below under "UFRS Rule Information" column with the corresponding printed documents listed in the chart under the "Hard Copy Documents" column. The results of the performance of our agreed-upon procedure indicate agreement or non-agreement of electronically submitted information and hard copy documents as shown in the chart below.

We were engaged by the Authority to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the AICPA and, if applicable, the standards applicable to attestation engagements contained in Government Auditing Standards issued by the Comptroller General of the United States, and/or any other standards or requirements to be followed. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the electronic submission of the items listed in the "UFRS Rule Information" column in the chart below for the 15 month period ended December 31, 2025. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.
